JUDGING PROCESS FOR SOLO AND 2 BATON

4 Judges sit on the panel: 3 judges evaluate the technique & performance and 1 judge takes the numerical deductions for content restrictions and drops.

SCORING: Following the athlete's performance, the 3 Judges display their score, and the Penalty Judge displays the number for any numerical deductions that occurred.

The penalties are deducted from each judges gross score to get the athlete's final score.

If there is a questionable penalty on a content restriction, the penalty judge will hold up a red card signaling a possible review at the end of division before the penalty is assessed. Following the review the athlete's penalty will be flashed before the final results of the division are officially posted.
